Specification

With its conically shaped reflector, the 1ph track PARA CONE 14 QPAR51 light gold/white incl. 1-phase adapter provides a particularly warm lighting effect. The family can be individually combined into a cloud of light with a wide range of colours and sizes. The recessed ceiling light is connected to the busbar system, which makes it flexibly positionable as well as rotatable and pivoting. Thanks to the GU10 socket, the QPAR51 lamp is easy to replace. And last but not least, the aluminium housing impresses with its robust quality. Experience light with SLV – your reliable partner for all kinds of indoor lights for 40 years.
