Specification

Description: The Caramel wall lamp is a lamp that will dominate a room. With its clear and coloured crystal prisms, it's a bright spot to be reckoned with.

We recommend: Combine the Caramel wall lamp with the chandelier in the same series, this will give you several points of light and beautiful crystal glittering in the room

Technical: Caramel has one bulb holder and uses an E14 light source (narrow cap), not included. Use a maximum 40 Watt incandescent bulb; or the equivalent in halogen, low energy or LED.
