#### Specification

The DL 126 recessed fitting impresses with its low height and it is therefore ideal for use with low installation depths. The six long-life SMD LEDs with a total power output of 3W ensure that you have the necessary level of illumination. The recessed fitting is available with a shutter coloured white, chrome and brushed metal. A suitable 12V direct current power supply is needed for operation. This luminaire contains built-in warm-white LED lamps.
