Specification

Description: Garden24 is our garden and outdoor lighting system that you can easily install and move around on your own. This floor lamp designed by Monika Mulder lifts the lounge, terrace, altar or balcony to new levels and extends the summer. The screen is possibly white cylinder with a frame in black aluminum and has a power of 20W which means that on a 60W transformer you can connect a maximum of 3 pieces.

We recommend: Do not forget the transformer sold separately and consider the power of the transformer. A 60W transformer can take a maximum of 3 20W lanterns. Find transformer and other accessories [here](#).

Technical: The entire Garden24 is IP-rated with IP44 rated for outdoor use.
