Specification

Description: The floor lamp in our popular Larry series is sleek, simple but eye-catching with its matt black shade. It comes in a semi-matt brass or a more polished chrome variant, as well as the new white Larry. The entire Larry series is designed by Monika Mulder.

We recommend: Larry works well by the sofa where it can provide good light to read by.

Technical: Larry has one bulb holder and uses an E27 light source (wide cap). Use a maximum 60 Watt incandescent bulb; or the equivalent in halogen, low energy or LED.
