Specification

Description: Lora is a small table lamp (34.5 cm high) in ceramic with a white fabric shade. Thanks to its compact size, Lora is an excellent table lamp for the hallway, bedside table or a small window. Available in white, green and blue.

We recommend: Use a bulb with a warmer light to create a wonderfully cosy feel.

Technical: Lora has one bulb holder and uses an E14 light source (narrow cap). Use a maximum 40 Watt incandescent bulb; or the equivalent in halogen, low energy or LED.
