Specification

Description: Multi is really multifunctional. With its stripped-down, simple and straightforward design, we have created a wall lamp that can replace your bedside table, that will sit nicely in the hallway or in your teenager's room. Multi has a USB socket and a shelf area. Available in black, white and gold.

We recommend: Use a nice light source with a warmer light for a calm and agreeable light.

Technical: Multi has one bulb holder and uses an E27 light source (wide cap). Use a maximum 60 Watt incandescent bulb; or the equivalent low energy or LED.
